

July 2011

Monton Village Nursery School

Special points of interest:

If you wish to pay by standing order please ask at the office

Have you ever thought of saving money on your nursery fees? Why not ask your employer about childcare vouchers, you can save up to £1195 per year because you don't pay tax or National Insurance on childcare vouchers. The nursery is registered with many different childcare voucher companies. Please ask at the office if you any help

Our nursery is unique we provide a secure, free of charge, internet viewing facility for parents. If you do not have an account and would like one please ask at the office for the information

Squirrels

The younger babies have enjoyed listening to stories this term, our favourite is 'The Gruffalo'.

We have been experimenting and trying new and unusual activities such as shredded paper play, making sensory shakers and cooked spaghetti play, these have all been very popular with the babies as well as the staff Jade, Danielle and Sarah.

Miss Browns Class

This half term we have enjoyed looking at different types of transport. The children have enjoyed discussing the different types of transport they use and see on the way to nursery and on their holidays. They have enjoyed creating lots of pictures and models of different types of transport using a range of materials including boxes, paints, collage materials and

Our babies have been very clever this term and lots of them have learnt to walk and crawl, well done everyone!

The Older Squirrels this half term have enjoyed learning all about different cultures and creating pictures of flags from around the globe. They play outdoors each day and are learning to ride the bikes and scooters.

Next half term we will be looking at physical development and concentrating on different ways of exercising.

Sports Day

pencil crayons. The children have also enjoyed pretending to go on buses and trains to go to the seaside, they took turns to be the "driver" and chose where to go.

They also enjoyed playing in the garden with the bikes and road safety set where we discussed how to cross the road safely when were are out with our mummy's and daddy's.

The Village

This half term the Village have been looking at 'Pets'. We have had lots of fun creating pictures of different pets. We have looked at the ways they walk and have been learning what noises they make. During circle time we have had fun exploring the pet books and pressing the buttons to make the pet noises.

Our next topic is 'Summer' we will be creating lots of pictures, painting collaging etc.

We will learn how to stay safe when the weather is hot. Lets hope the weather stays nice.

Miss Webb's Class

We have had a very busy half term practicing and taking part in our sports day and summer play Billy no Buzz.

We were lucky with the weather on sports day morning and managed to run all our races while it stayed dry. The children enjoyed taking part, receiving badges, medals and the children who came 1st in the races overall received a trophy.

For our trip this term we went to Stockley farm . We fed the goats, pigs and horses, and had a ride on the tractor, we loved the nature walk where we found a number of objects. We all had a wonderful time and were exhausted after all the

fun. All the children looked fantastic in the costumes for their play Billy no Buzz they had worked very hard learning the songs and words to perform it to all the mummy's and daddy's they performed it brilliantly on both days.

This is the time of the year when most of the class are leaving to go to primary school some will be moving on to our sister school Clarendon Cottage and other moving to schools around the area. We wish them all the best and hope they enjoy their new school. Don't forget to let us know how you are going on and if you

are passing remember to pop in to see us.
